- 1) Instructions to the Bidders to submit the bids online through the Public Procurement Portal for e Procurement at www.tenderwizard.com/EUP
- 2) Possession of valid Digital Signature Certificate (DSC) and enrollment/registration of the contractors/bidders on the e-Procurement/e-tender portal are prerequisite for e-tendering.
- 3) Bidder should register for the enrollment in the e-Procurement site using the “Online Bidder Enrollment” option available on the home page. Portal enrollment is generally free of charge. During enrollment/registration, the bidders should provide only valid and true information including valid email id. All the correspondence shall be made directly with the contractors/bidders through email id as registered.
- 4) Bidder need to login to the site through their user ID/ password chosen during enrollment/registration.
- 5) Then the Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by SIFY/TCS/nCode/eMudra or any other Certifying Authority recognized by Controller of Certifying Authorities (CCA) India on eToken/SmartCard, should be registered.
- 6) The registered DSC only should be used by the bidder in the transactions and should ensure safety of the same.
- 7) Contractor/Bidder may go through the tenders published on the site and download the tender documents/schedules for the tenders.
- 8) After downloading/getting the tender document/schedules, the Bidder should go through them carefully and then submit the documents as required, otherwise bid will be rejected.
- 9) Any clarifications may be sought online through the tender site, through the contact details or during pre-bid meeting, if any. Bidder should take into account the corrigendum, if any published before submitting the bids online.

- 10) Bidder may log in to the site through the secured login by the user id/password chosen during enrolment/registration and then by submitting the password of the e-Token/Smartcard to access DSC.
- 11) Bidder may select the tender in which he/she is interested in by using the search option and then move it to the 'my tenders' folder.
- 12) From my tender folder, he may select the tender to view all the details uploaded there.
- 13) It shall be deemed that the bidder has read and understood all the terms and conditions before submitting the offer. Bidder should go through the tender schedules carefully and upload the documents as asked; otherwise, the incomplete bid shall stand rejected.
- 14) Bidder should get ready the bid documents to be submitted as indicated in the tender document/schedule in advance and ordinarily it shall be in PDF/xls/rar/jpg/dwf formats. If there is more than one document, all may be clubbed together and provided in the requested format. Bid documents may be scanned with 100 dpi with black and white option. It is advisable that each document to be uploaded through online for the tenders should be less than 2 MB. If any document is more than 2MB, it can be reduced through zip/rar and the same, if permitted may be uploaded. The file size being less than 1 MB the transaction uploading time will be very fast.
- 15) The Bidders can update well in advance, the documents such as certificates, annual report details etc., under "My Space option" and these can be selected as per tender requirements and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.
- 16) Bidder should submit the Tender Fee/ EMD as specified in the tender. The hard copy should be posted/couriered/given in person to the Tender Inviting Authority, within bid submission due date and time as indicated in the tender. Scanned copy of the instrument should be uploaded as part of the offer.
- 17) While submitting the bids online, the bidder shall read the terms and conditions and may accept the same to proceed further to submit the bid packets.
- 18) The bidder has to select the payment option as offline to pay the Tender FEE/ EMD as applicable and enter details of the instruments.
- 19) The details of the DD/any other accepted instrument, physically delivered, should tally with the details available in the scanned copy and the data entered during bid submission time, otherwise submitted bid shall not be acceptable or liable for rejection.
- 20) The bidder has to digitally sign and upload the required bid documents one by one as indicated. The very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have duly read, understood and agreed with all clauses of the bid document including General Conditions of Contract (GCC) without any exception.
- 21) The bidder has to upload the relevant files required as indicated in the cover content. In case of any irrelevant files, the bid may be rejected.
- 22) If the price bid format is provided in a spread sheet file like BoQ_XXXX.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Priced-

bid/BOQ template shall not be modified/replaced by the bidder; else the bid submitted is liable to be rejected for the tender.

- 23) The bidders are advised to submit the bids through online e-tendering system to the Tender Inviting Authority well before the bid submission due date and time (as per Server System Clock). The Authority shall not be held responsible for any delay or the difficulties faced during the submission of bids online by the bidders.
- 24) After the bid submission (i.e. after Clicking “Freeze Bid Submission” in the portal), the acknowledgement number indicated by the system should be printed by the bidder and kept as a record of evidence for online submission of bid for the particular tender and also be used as entry pass to participate in the bid opening.
- 25) The time settings fixed in the server side and displayed at the top of the tender site, shall remain valid for all actions of requesting, bid submission, bid opening etc., in the e-Tender system. The bidders should follow such time during bid submission.
- 26) All the data being entered by the bidders would be encrypted using Public Key Infrastructure (PKI) encryption techniques to ensure the secrecy of the data. The data entered is not retrievable by unauthorized persons during the bid submission and until the time of bid opening by any person.
- 27) Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers’ public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 28) The confidentiality of the bids is maintained with the use of Secured Socket Layer (SSL) 128 bit encryption technology. Data storage encryption of sensitive fields is done.
- 29) The bidder should logout of the tendering system using the normal logout option available at the top right hand corner and not by selecting the (X) exit option in the browser.
- 30) For any queries regarding e-Tendering process, the bidders may contact at address as provided in the tender document. Also, for any further queries, the bidders are advised to send a mail to – ksclkanpur@gmail.com

2.15.1.2 The inner, outer and separate envelopes containing Technical and Financial Bids shall –
(a) be addressed to the Employer at the address given in Appendix
(b) bear the identification as indicated in Appendix

2.15.1.3 In addition to the identification required in Sub-Clause 2.15, 1.1 and 2.15.1.2, each of the envelopes shall indicate the name and address of the bidder to enable the bid to be returned unopened in case it is declared late, pursuant to Clause 2.17, or the Evaluation Committee declares as non-responsive pursuant to Clause 3.

2.15.1.4 If the outer envelope is not sealed and marked as above, the Employer will not take any responsibility for the misplacement or premature opening of the bid.

2.16 Deadline for Submission of the Bids

2.16.1 Complete Bids (including Technical and Financial) must be submitted by the bidder at the address specified above not later than the date indicated in appendix. In the event of the specified date for the submission of bids is declared a holiday by the Employer, the Bids will be received up to the appointed time on the next working day.

2.16.2 The Employer may extend the deadline for submission of bids by issuing an amendment in accordance with Clause 2.7, in which case all rights and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

2.17. Late Bids: Any Bid received late by the Employer after the deadline prescribed in Clause 2.16 will be returned unopened to the bidder.

2.18 Modifications and Withdrawal of Bids

2.18.1 Bidders may modify or withdraw their bids by giving notice in writing before the deadline prescribed in Clause 2.16 or pursuant to Clause 3.

2.18.2 Each Bidder's modification or withdrawal notice shall be prepared, sealed, marked, and delivered in accordance to Clause 2.14 & 2.15, with the outer and inner envelopes additionally marked "MODIFICATION" or "WITHDRAWAL", as appropriate.

2.18.3 No bid may be modified after the Deadline for submission of bids except in pursuance of Clause 3.

2.18.4 Withdrawal or modification of a Bid between the deadline for submission of bids and the expiration of the original period of bid validity may result in the forfeiture of Bid Security pursuant to Clause 2.11.3.

E.BID OPENING AND EVALUATION

3. Bid Opening

3.1 The Employer will open all the Bids received (except those received late), including modification made pursuant to Clause 2.17, in the presence of the Bidders or their representatives who choose to attend at time, date and the place specified in IFB in the manner specified in Clause 2.16 and 3.3. In the event of specified date of Bid opening being declared a holiday on the date of receipt of the bids as specified the bids will be received and opened on the next working day at the same time and venue.

3.2 Envelopes marked “**WITHDRAWAL**” shall be opened and read out first. Bids for which an acceptable notice of withdrawal has been submitted pursuant to Clause 2.18 shall not be opened.

3.3 Bid opening shall be carried out in two stages. Firstly, the envelopes containing “Technical Bid” shall be opened. The amount, form, and validity of the Bid security furnished with each bid will be announced. If the bid security furnished does not conform to the amount and validity period as specified in the Invitation for Bid (ref. Column 4 and paragraph 3), and has not been furnished in the form specified in Clause 16, the remaining technical bid and the sealed financial bid will be returned to the bidder.

“Financial Bids” of those bidders whose technical bids have been determined to be responsive and on evaluation fulfills the qualification criteria shall be opened on a subsequent date, which will be notified to such bidders.

3.4 The minutes of the Bid opening, including the information disclosed to those present in accordance with Clause 3, shall be prepared.

3.5 After the opening of the technical bids their evaluation will be taken up with respect to bid security, qualification information and other information furnished in Part I of the bid in pursuant to clause 2.9, thereafter on fulfilling the criteria laid down in 6.2, a list will be drawn up of the responsive bids whose financial bids are eligible for consideration.

3.6 The Employer shall inform the bidders, whose technical bids are found responsive, of the date, time and place of opening of the financial bids. The bidders so informed, or their representative, may attend the meeting of opening of financial bids.

3.7 If, as a consequence of the modification carried out by the bidder, in response to sub-clause 2.18, the bidders desire to modify their financial bid; they will submit the modification in separate sealed envelope so as to reach the Employer’s address (refer sub-clause 2.15.1.2) before the opening of the Financial bid as intimated in the clarification letter (refer sub-clause 3.4). The envelope shall have clear marking “MODIFICATION TO FINANCIAL BID-Not to be opened except with the approval of the Evaluation Committee”

3.8 At the time of opening of “Financial Bid”, the name of the bidders will be announced. The bids of only qualified bidders will be opened. The remaining bids will be returned to the bidders unopened. The responsive Bidders Names, the Bid prices, the total amount of each bid, any discounts, Bid Modifications and withdrawals, and such others details as the Employer may consider appropriate, will be announced by the Employer at the opening. Any bid price or discounts, which is not read out recorded will not be taken into account in Bid Evaluation.

3.9 The Employer shall prepare minutes of the Bid opening, including the information disclosed to those present in accordance with Sub-Clause 3.6.

4. Process to Be Confidential: Information relating to the examination, clarification, evaluation, and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders

or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any effort by a Bidder to influence the Employer's processing of Bids or award decisions may result in the rejection of his Bid.

5. Clarification of Financial Bids

5.1 To assist in the examination, evaluation, and comparison of Bids, the Employer may, at his discretion asks any Bidder for clarification of his bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing or by cable, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the Bids in accordance with Clause 7.

5.2 Subject to sub-clause 5.1, no Bidder shall contact the Employer on any matter relating to his bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Employer, he should do so in writing.

5.3 Any effort by the Bidder to influence the owner's bid evaluation, bid comparison or contract award decisions may result in the rejection of the Bidders' bid.

6. Examination of Bids and Determination of Responsiveness

6.1 During the detailed evaluation of "**Technical Bids**", the Employer will determine whether each bid (a) meets the eligibility criteria defined in Clauses 3 and 4; (b) has been properly signed; (c) is accompanied by required securities and (d) is substantially responsive to the requirements of the 'Bidding Documents'. During the detailed evaluation of the "**Financial Bid**", the responsiveness of the bids will be further determined with respect to the remaining bid conditions, i.e. priced bid, technical specifications, and drawings.

6.2 A substantially responsive "Financial Bid" is one which conforms to all the terms, conditions and specifications of the Bidding Documents, without material deviations or reservation. A material deviations or reservation is one (a) which affects in any substantial way the scope, quality, or performance of the Works; (b) which limits in any substantial way, inconsistent with the Bidding documents, the Employer's rights or the Bidder's obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of the Bidders presenting substantially responsive Bids.

6.3 If a 'Financial Bid' is not substantially responsive, it will be rejected by the Employer, and shall not subsequently be made responsive by correction or withdrawal of non- conforming deviation or reservation.

7. Correction of Errors

7.1 "Financial Bids", determined to be substantially responsive will be checked by the Employer as follows:

- a) Where there is a discrepancy between the rates in figures and in words, the rate in words will govern; and
- b) Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.

7.2 The amount stated in the "Financial Bid" will be corrected by the Employer in accordance with the above procedure and the bid amount adjusted with the concurrence of the Bidder in the following

manner:

- a) If the Bid prices increases as a result of this correction, the amount as stated in the bid will be the 'bid price' and the increase will be treated as rebate;
- b) If the Bid price decreases as a result of this correction, the decreased amount as stated in the bid will be the 'bid price'.

Such adjusted bid price shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount the Bid will be rejected, and the Bid security may be forfeited in accordance with Sub-Clause 2.11.3).

8. Notification of Award and Signing of Agreement

8.1 The bidder quoting the lowest cost will be declared the successful bidder. The Bidders whose Bid has been accepted will be notified of the award by the Employer prior to expiration of the Bid validity period by cable, telex, or facsimile confirmed by registered letter. This letter (hereinafter and in the Condition of Contract called the "Letter of Intent") will state the sum that the Employer will pay the Contractor in consideration of the execution, completion and maintenance of the works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price").

8.2 The notification of award will constitute the formation of the Contract, subject only to the furnishing of a performance security in accordance with the provisions of Clause 9.

8.3 The Agreement will incorporate all arrangements between the Employer and the successful Bidder. Within 10 days following the notification of award along with the Letter of Acceptance the successful bidder will come to the office of the employer and sign the contract agreement. In case, the bidder fails to respond the letter of acceptance during the stipulated time and deposit the requisite performance security, the second lowest bidder will be given the notification of award cancelling the notification to the 1st successful bidder. This process will continue till the contract agreement for the work is finally signed. The bid securities of all the bidders who fail to respond the Letter of Acceptance served will be forfeited.

8.4 Upon the furnishing by the successful Bidder of the Performance Security, the Employer will promptly notify the other Bidders that their Bids have been unsuccessful.

9. Performance Security (Security Deposit)

9.1 Within 10 days of receipt of the Letter of Acceptance, the successful Bidder shall deliver to the Employer a Performance Security in any of the forms given below for an amount equivalent to 10% of the Contract price.

- A bank guarantee in the form given in section 8; or
- Fixed Deposit Receipt/Term Deposit Receipt from any Nationalized/Scheduled bank, pledged in favour of the Authority payable at Kanpur.

9.2 If the performance security is provided by the successful Bidder in the form of a Bank Guarantee, it shall be issued at the Bidder's option, by a *Nationalized/Scheduled Indian bank* and acceptable to the Employer.

9.3 Failure of the successful Bidder to comply with the requirements of Sub-Clause 9.1 shall constitute sufficient grounds for cancellation of the award and forfeiture of the Bid Security.

10. Corrupt or Fraudulent Practices

The bidder shall observe highest standard of ethics during bidding process and execution of the project.

10.1 "corrupt practice" means the offering, giving, receiving or soliciting of anything of value to

influence the action of a public official in the procurement process or in contract execution; and

10.2 'Fraudulent practice' means a misrepresentation of facts in order to influence the selection process or execution of a contract which is detrimental to the Employer and includes collusive practice among the bidders during selection process, designed to establish prices at artificial, non-competitive levels and to deprive the Employer of the benefits of free and open competition.

10.3 The Employer will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

10.4 Whereas the technical specifications and other tender conditions have been specified to the extent of receiving a good product and service in the interest of Authority, if the bidder suppresses and/or furnishes faulty facts and resorts to any other action with mala fide action with the only intention of bagging the order at any cost or supplying the products which are not of the best quality or in violation of tender specifications, then the Authority or any of its official are in no way responsible for any subsequent loss/damage arising out of such mala fide action. The bidder alone is solely responsible for all such liabilities arising out of any fraudulent actions.

11. Evaluation of bid

The bid shall be evaluated on the total cost of the following:

11.1 As in schedule of the price bid (cover-B), while evaluating the total cost, the taxes, the custom duties applicable on the day of quotations shall be taken into consideration. Subsequently, deductions or additions of the taxes will not affect the ranking of the tenders. However, any or all mandatory taxes, levies, duties etc., increase may be considered on submission of proof of the same.

11.2 The bid shall be evaluated on the price quoted.

12. Rejection of bid

- a) The tender will be rejected outright if the bidder a) EMD is not attached.
- b) Stipulates the validity period less than what is stated in the form of tender
- c) Does not disclose the full names and address of all his partners in the case of all partnership concern.
- d) Does not fill in and sign the Tender Form Specification of the articles and works as well as Bill of Quantities and Rates completely.

- t) Does not mention make and model of chassis.

SECTION III
Conditions of Contract- General Conditions

13.1 Scope of Procurement

13.1.1 The quantity of procurement as provided in the tender documents is of indicative nature. The actual quantity will be as drawn by the KSCL.

13.1.2 The Employer also reserves the right to short close the order at any time during the currency of the contract / validity of the Purchase order before drawing the full quantity.

13.2 Packing

13.2.1 The vehicles should be delivered at specified offices in perfect condition and no damage or repair in transit shall be accepted. Necessary packing, if any, shall be provided by the supplier / bidder on his own cost.

13.2.2 In case the supply is to be made in bulk, the successful bidder will be required to ensure that the Bulk tank lorry through which the material is supplied is well equipped to facilitate smooth unloading at our locations.

13.2.3 In case the supplies are to be made in packed form, the details required in Special Conditions need to be furnished on the containers.

13.3 Price

13.3.1 The rate/price offered by the bidder should be open for acceptance for a minimum period as mentioned in Section V - Contract data, from the date of opening of the tender. No upward revision in the price will be allowed during the above period and after communication of the acceptance of the tender during the validity period.

13.3.2 The bidders are requested to quote the Unit rate and taxes, if applicable, in Format given in Section VII – Price Bid. They should also specifically include Excise Duty, Education Cess, Sales Tax, Entry tax, Octroi and any other levies, including specified by Government of Uttar Pradesh but excluding GST.

13.3.3 The price should be firm and irrevocable and not subject to any upward revision due to increase in cost of raw material, components and labour cost till the completion of the order. However, any increase/decrease in statutory levies on finished materials during the scheduled delivery period will be on Employer's account on production of documentary evidence.

13.3.4 All the rates given in the tender schedule should be expressed both in words and/or in figures and where there is difference between the two, the lower rate will be taken into consideration.

13.3.5 The bidders should indicate their price inclusive of packing, handling cost, loading, Transporting and unloading at Employer's location

13.3.6 The rate quoted should include Entry Tax, if any. There will be no liability on the part of KSCL in any event of demand for Entry Tax during or after supply. It is the sole responsibility of the bidder to ensure that Entry Tax, if needed shall be paid by them. The quote should include all Taxes, Levies specified by Government of Uttar Pradesh.

13.4 Quality of the Product

13.4.1 The product supplied should fully conform to the purchase specification agreed while participating

in the tender. Such conformity of the material to the specifications shall be determined by testing the product/material as specified in the Special Conditions. The Test Report issued by the Employer alone will be considered as final and binding on the bidder.

13.4.2 The bidder shall be responsible for the quality of the material delivered until the same is tested and accepted by the Employer.

13.4.3 In the event the material delivered against the tender is found to be not in accordance with the specifications, the entire quantity/consignment will be rejected and the bidder will be responsible for replacement of the rejected material free of cost and/or reimbursing the Employer for resultant losses sustained on this account. Such materials will be lying at the Employer's site/location at the risk and cost of the supplier for a period not exceeding 15 days.

13.4.4 The bidder will be obliged to collect the rejected material from the Employer's premises/locations at his own cost, within 15 days of such notification to him in writing, failing which, the Authority will be free to dispose of such material as it deems fit without any obligation whatsoever to the bidder.

13.5 R.T.O. Requirements

The Bidder has to take necessary care of insurance, registration and FC etc., of the vehicles before commissioning. The Bidder has to observe RTO restrictions regarding height, width, overhang of vehicles and emission norms and the Bidder shall make his own arrangement to get the vehicles registered permanently and getting F.C. from RTO Kanpur. The vehicles have to be registered at Kanpur, Uttar Pradesh.

13.6 Delivery

1.6.1 The delivery period indicated in the tender, or in our order, or separately in the form of a letter, from time to time, is to be strictly adhered to. In case of delay in supplying, the Employer reserves the right to ask for compensation for such late deliveries at its sole discretion. Such compensation will be payable on demand or shall be recovered from the EMD or Security Deposit or from any other payment due to the bidders from the Employer.

13.6.2 The Employer at its sole discretion also reserves the right to purchase the goods from other sources at the cost and risk of the bidder in case of failure to effect supplies within the stipulated delivery period.

13.6.3 No exemption under any circumstances shall be given for waiver of EMD or Security Deposit.

13.6.4 Delivery period: The shortest delivery period is the essence of this tender. The delivery period is **3 Months** from the receipt of this purchase order. Delivery of the equipment prior to registration shall be considered as delivery time. However, the equipment shall be registered within 10 days of delivery.

13.7 Consignee and Security of Material

Security of all material in the section where the work is in progress shall be the contractor's responsibility and he shall arrange to guard the same from theft/pilferage/vandalism. The cost of providing such security shall be deemed included in the offer, whether or not explicitly mentioned so. In the event of any loss the contractor shall be responsible for the same. The contractor shall insure the materials. Any stores lost, prior to formally taking over by the Purchaser, shall be made good by the contractor at no cost to the Purchaser.

13.8 Warranty: The goods supplied should be covered under warranty for a period of not less than 12 months for both Chassis & Dumper Placer Vehicle, from the date of handing over /supply of vehicle whichever is earlier for manufacturing process or assembly or material defect on a combination of any or

all of the above

13.09 Payment

The following payments shall be released:-

- a) 70% of the project cost on receiving the documentary evidence of chassis at manufacturer's works and submission of Invoice in the name of Chief Executive Officer, KSCL.
- b) 20% of the project cost after supply at KSCL specified locations and Permanent registration of vehicles in the name of Chief Executive Officer, KSCL, within 10 days of Registration.
- c) 10% of the project cost at the end of 1st year subject to satisfactory performance of Dumper Placer vehicle.

13.10 Penalty

Time is the essence of this contract. Hence, subject to Force Majeure, if the supplier fails to deliver any or all of the goods within the time period(s) specified in the contract, the department shall deduct from the contract price a sum equivalent to 0.5% of the delayed goods for each week of delay up to maximum deduction of 10% of the delayed supply or services. Once the maximum is reached the department may consider termination of contract. Delivery of the vehicles at KSCL specified locations construes delivery as specified in the document. A Further period of 10 days is permitted to carry out the necessary R.T.O formalities for Permanent Registration, F.C, etc.

13.11 Validity of Purchase Order

13.11.1 The validity of Purchase order is for 12 months.

13.11.2. Due to operational requirement in some of the procurements, the validity of Purchase order may be different than the above. However, such change shall be notified in **Form 'A'** of the tender document.

13.12 Force Majeure

Delivery of material is subject to Force Majeure conditions as under, If at any time, during the currency of the contract, the performance in whole, or part by either party or any obligation under the contract shall be prevented or delayed by reasons of anyway, hostility acts of public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine, restrictions, strikes, lock-outs or acts of God, provided notice of the happening of such events is given by either party to other, within 21 days from the date of occurrence thereof, neither party shall by reason of such event be entitled to terminate the contract nor shall either party have any claim for damage against the order in respect of such non-performance or delay in performance and deliveries under the contract shall be resumed as soon as practical, if such event has come to an end or ceased to exist.

13.13. Termination

13.13.1 Termination on expiry of the Contract: The Agreement shall be deemed to have been automatically terminated on the expiry of the Contract period unless the Employer has exercised its option to extend the Contract in accordance with the provisions, if any, of the Contract.

13.13.2 Termination on account of Force Majeure: Either party shall have the right to terminate the Contract on account of Force Majeure, as set forth in clause 13.13

13.13.3 Termination on account of insolvency: In the event the Successful Bidder at any time during the term of the Contract becomes insolvent or makes a voluntary assignment of its assets for the benefit

of creditors or is adjudged bankrupt, then the Employer shall, by a notice in writing have the right to terminate the Contract and all the Successful Bidder's rights and privileges hereunder, shall stand terminated forthwith.

13.13.4 Termination breach of contract: A breach by the Successful Bidder of its obligations hereunder and such breach not being rectified by the Successful Bidder within 30 days of receipt of the Employer's notice intimating such breach. Upon termination, the Successful Bidder shall surrender all the data and materials belonging to the Purchaser.

13.13.5 Termination for delay: Successful Bidder shall be required to perform all activities/services as per this conditions and specifications. If the Successful Bidder fails to do so, the Contract may be terminated by the Employer by giving 30 days written notice unless the Employer has extended the period with levy of Liquidated Damages, as per Clause 1.11 of the tender. In the event of short supply or delay in supply, the balance goods to be supplied shall be procured from the available supplier and amount for the same will be recovered from the successful bidder besides stern action to be taken as per tender conditions

13.14.6 The employer may at any time terminate the Contract by giving 30 days notice without assigning any reason.

13.13.7 Consequences of termination: In all cases of termination herein set forth, the obligation of the Employer to pay shall be limited to the period up to the date of effective termination. Notwithstanding the termination of the Agreement, the parties shall continue to be bound by the provisions of the Agreement that reasonably require some action or forbearance after such termination.

13.13.8 In case of termination of Contract herein set forth except under 13.14.1 and 13.14.2, the Contractor shall be put on holiday [i.e. neither any enquiry will be issued to the party by the Employer against any type of tender nor their offer will be considered by the Employer against any ongoing tender(s) where contract between the Employer and that particular Contractor (as a bidder) has not been finalized] for two years from the date of termination by the Employer to such Contractor.

13.14 Disputes

Any dispute arising out of this agreement or that which may arise in future, will be resolved by taking recourse to mutual settlement in the instance, failing which the dispute will be subject to Kanpur Jurisdiction only.

13.15 Whereas the technical specifications and other tender conditions have been specified to the extent of receiving a good product and service in the interest of Authority, if the bidder suppresses and/or furnishes faulty facts and resorts to any other action with mala fide intention with the sole intention of bagging the order at any cost or supplying the products which are not of the best quality or in violation of tender specifications, then the Authority or any of its official are in no way responsible for any subsequent loss/damage arising out of such mala fide action. The bidder alone is solely responsible for all such liabilities arising out of any fraudulent actions

- a) Prime mover – engine of the chassis shall be used for driving other unit through appropriate power take-off unit (PTO).
- b) Frame
- c) Lifting arms
- d) Tipping hooks
- e) Stabiliser
- f) Hydraulic system
- g) Controls
- h) Accessories
- i) Suitable Indian Vehicle Chassis

The above equipment shall be mounted on chassis like TATA/ASHOK Leyland/Eicher or equivalent. Bidder shall furnish full details of vehicle chassis. Bidder shall also make arrangements to procure the vehicle with cabin from the manufacturer. The standard tools accessories and spares supplied with the chassis shall be handed over to the client at the time of delivery of the unit.

The Bidder shall make arrangements for mounting equipment on the chassis according to the rules laid down by the Regional Transport Office, and loads recommended by the chassis manufacturer on the front and rear axles.

B) DUMPER PLACER EQUIPMENT:

The unit comprises of a pair of lift arms actuated by double acting high pressure cylinders, hydraulically operated tipping hooks for operation of lifting, lowering and unloading of garbage container / bin, one double acting independently operated hydraulic stabilizer, oil tank, and control valves. The components are to be mounted on all steel welded sub- frames.

Unit shall confirm to the best practice known to the body fabrication trade in design, quality of material and workmanship. Assemblies, subassemblies, components and accessories shall be standard and interchangeable.

Unit shall be rear-Loading type with loading height as per RTO Kanpur. The operation of lifting, lowering and unloading of garbage container/bin shall be hydraulic system. The system shall include the hydraulic pump, driven by the chassis engine, necessary filter, adjustable relief valves, directional control valves, restriction valves and associated pipelines. The chain links shall be provided for lifting, lowering, unloading and holding the container.

a) PRIME MOVER:-

The unit shall be run on the power transmitted from vehicle engine through its P.T.O. (Power Take off Unit). The P.T.O. shall be of sturdy design of reputed make and should be able to provide sufficient power to run the system.

b) FRAME:-

The main frame shall be made out of suitability thick pressed steel channels and mounted on the vehicle chassis through rolled / pressed steel channel sub frame.

c) LIFTING ARMS:-

The lifting arms shall be of strong design made out of suitability thick steel box tube to withstand the operating load and shall be connected at ends through suitable bush

/ bearing joint. The distance between the lift arm and container, when the container is resting on the body shall be properly designed.

d) TIPPING HOOKS:-

Hydraulically operated tipping hooks shall be provided with proper space for easy and correct holding of the container for tipping purposes. All the pivot pins are to be high chromium plated and in jig bored holes with easy lubrication points to ensure accurate alignment and smooth operation. The chain links provided for lifting and holding the container shall be strong enough.

e) STABILISER:-

The hydraulically operated stabilizer shall be designed in such a way to suit the requirement at Waste Management in Kanpur. The stabilizer shall be strong enough to provide continued stability and should not take undue time. The stabilizing should have locking arrangement so that no malfunction operation is possible.

f) HYDRAULIC SYSTEM:-

1. The hydraulic pump shall be designed to operate continuously with peak loading at frequent and short interval.
2. The hydraulic system shall incorporate relief valves to protect all components from excessive pressure and overloads.
3. Hydraulic seamless pipes, hoses, couplings should be of high quality and standard to withstand high pressures. The pipe ends should be flared to ensure perfect seal and prevent leakage even at high pressure
4. A replaceable filter should be provided in return line of hydraulic system.
5. All hydraulic components should be easily accessible for inspection.

HYDRAULIC VALVES:-

The valves provided shall be of reputed make and of international standard and should be appropriately designed.

HYDRAULIC CYLINDERS:-

1. All cylinders must be tested at 1.5 times the rated working pressures.
2. Cylinder rods of all cylinders shall be constructed of high strength, hardened steel rods, centreless ground to an RMS smoothness rating of 8 and shall be hard chrome plated.
3. Where necessary, pin mounting connections of cylinders shall incorporate hardened spherical bushings on hardened pins.
4. The cylinders should be reputed make and should adhere to dimension given in technical schedule.

HYDRAULIC RESERVOIR AND FILTERS:-

The reservoir tank shall have 1.5 times capacity than the fluid required by the hydraulic system and includes a sight fluid level indicator, return line filter, suction line shut-off cock and filter cap with chain.

f) CONTROLS:-

The following controls shall be provided and located conveniently

1. Power take-off control shall be provided inside the cabin by the chassis manufacturer.
2. Hydraulic control valve lever for lifting arm.
3. Hydraulic control valve lever for stabilizer.

h) ACCESSORIES:-

- i. Reverse audio visual horn – 1No.
- ii. Mud guards – 2 Nos.
- iii. Mud flaps – 4 Nos.
- iv. Aluminium chequered plate lockable tool box – 1 No.

i) VEHICLE CHASSIS:-

The complete equipment shall be mounted on a suitable chassis with standard day cabin and PTO (Ashok Leyland/TATA/Eicher). The chassis should be provided with front and rear shock absorbers with five forward and one reverse constant mesh gear box, complete original front show with headlights, starter, dynamo with batteries and fuel tank.

The truck chassis shall have the following general specifications:

- Wheel Base : 2100 mm
- Max. GVW : 1500 KG

PAINTING:-

The entire unit shall be painted with two coats of superior quality anti-corrosive primer with two coats of approved quality paint. The bidder shall get the paints and shades pre-approved from the Authority.
